

DC/AC CAR CONVERTER TO 180W

12V(AC)/230V(DC) car inverter to supply appliances to 180W max.

Integrated protections against:

- short circuit and over heat
- low and over voltage (<9,5V and >15V)
- polarity reverses

with fuse to 20A and built-in cooling fan

USB socket to 500mA to recharge USB device like smartphone, music player, ...

Caracteristics

- Input current type : 12V(DC)
- Output current type : 230V(AC) - USB 5V
- Output power (W) : 180W - 360W max

<u>Advantages</u>	USB socket
<u>Benefits</u>	Compatible with all USB devices
<u>Sku.</u>	PINB180U
<u>Barcode</u>	3303170065426
<u>Qty per carton</u>	10
<u>Qty per inner</u>	2
<u>Color</u>	Noir
